5. Route Cards and Tally (Dog Tag)

- a) Each competitor will be issued with a Tally (dog tag) and a set of Route Cards at the Start. The dog tag must be worn around the neck.
- b) At each Checkpoint the appropriate section of the Route Card is detached and retained by the Checkpoint staff.
- c) In the event of a competitor retiring, the remaining sections of the Route Cards will be retained at the Checkpoint at which he/she retires.
- d) The retired competitor will be transported to the Finish at Chapel (either by Kinder transport or if preferred, their own supporters) and their dog tag must be handed in at the Finish Checkpoint by the competitor personally.
- e) In the event of the competitor being transported direct to hospital upon retirement then Kinder Walk staff will make arrangements for the dog tag to be returned to the Finish Checkpoint.

6. Retirement

- a) Competitors may retire at any point on the route, but it is desirable to retire at a Checkpoint if possible. If a Checkpoint cannot be reached, then a message must be sent to the nearest Checkpoint, or to Central Control.
- b) In case of any team members retiring en route, the remaining members of the team must wait at the nearest Checkpoint until they can make up a "scratch" team of not more than seven members. The constitution in terms of numbers and ages must be agreed with the Checkpoint staff. If this is not possible, they too must then retire and will be transported back to Chapel to hand in their dog tag.

- c) The combined team must elect a new leader who will check that the Team have the full team equipment as per Rule 4 and will sign the Scratch Team document held by the Checkpoint staff to confirm this.
- d) Teams must have left the Checkpoint at Hayfield by 14.00 hours in the Extreme and **Peep O Day by 13.00 hours in the Challenge** - otherwise they will be retired.
- e) The Organisers have the right to retire any competitor at any point during the walk.
- f) The Organisers retain the right to compulsorily retire any team which is extremely late at the back end of the route.

7. Competitors may be disqualified for:

- a) Failing to wear or carry the clothing and equipment specified in Rules 2, 3 & 4 at all times.
- b) Receiving assistance of any kind, including the use of "Support" vehicles, "Pace-makers" and replacement of equipment.
- c) Failing to walk as a team at all times, each member of the team must be within sight and sound of all members of the team. Failure to do so will result in disqualification of the whole team.
- d) Failing to adhere to the route detailed in the Route Instructions.
- e) Failing to comply with the rules to the satisfaction of the Organisers.

8. Trophies

- a) Teams must finish as a complete team (i.e. the same members that started) to be eligible for trophies.
- b) In the event of an original team forming part of a "scratch" team, then that team will still be eligible for trophies.
- c) Trophies will be held by the winning teams for a period of twelve months. In the event of a tie, each team will hold the trophy concerned for six months by mutual agreement.
- d) It is the responsibility of the holding teams to safeguard and return the trophies to the Organisers prior to the following year's event. Your team name as appropriate should be affixed to the trophy.

9. General

- a) In the event of an outbreak of Foot and Mouth, or any other animal disease in the area, the event will be cancelled. If the area has been declared free from infection it may be necessary to ban competitors travelling from any other district in which the disease is prevalent. In either case, the Organisers cannot accept liability for any expense incurred by competitors. However every effort will be made to reimburse the entry fee if circumstances permit.
- b) In the event of the Start Committee considering that weather conditions are unsuitable for competitive walking over open country, the event will be cancelled. The Organisers cannot accept any liability for any expense incurred by competitors. However every effort will be made to reimburse the entry fee if circumstances permit.
- c) Dogs are not permitted to accompany teams on the event.
- d) The Organisers accept no responsibility whatsoever for any loss, injury or loss of life incurred by competitors.
- e) Suitability of equipment listed in Rules 2, 3 & 4 will be entirely at the discretion of the Inspection Teams. If in doubt, bring alternatives.

- f) Although the Challenge does not go over the same terrain as the Extreme, the weather conditions can be just as challenging and hence the equipment specified is applicable to both events.
- g) It would be advisable to bring along a spare set of clothes to change into after completion of the walk –just in case! You may leave this at Chapel – clearly marked with your name and Team Number.
- h) Refreshments will be provided at the Finish. We are attempting to reduce the use of plastic wherever possible so please use your own mug for drinks at the Finish. We will also have “Kinder” mugs for sale at £2.00

ROUTE INSTRUCTIONS

All Team Members should read the information in this Handbook and understand the rules governing this event. It should be appreciated that this walk passes through “Potentially Hazardous Country” and should be undertaken only by those who are physically and mentally prepared.

Any competitor who has had any acute illness (e.g. Tonsillitis, Influenza, Chest infection, etc.) in the four weeks prior to the event should consult a doctor before competing.

All sections of the route printed in BLOCK CAPITALS are compulsory – this is in place for your safety.

STARTING PROCEDURE

Team number and inspection time will be advised on the Team Entry form. Teams must book in at Chapel Scout HQ prior to the advised Inspection Time. Teams will start progressively once inspected.

RESCUE SERVICES

Mountain Rescue Teams will be in the area throughout the event. If any competitor is unable to continue when in open country, the remaining members of the team should alert the rescue organisation through any Checkpoint or Central Control; there will always be a Checkpoint open in front of and behind each team. It is essential that at least ONE person stays with the casualty. Any team finding another team in distress **MUST** help. They should ascertain the correct location and advise Central Control or the nearest Checkpoint. This action will be additional to any information already passed by members of the team in distress. Suitable time allowance for such action will be made at the discretion of the Organising Committee.

Rescue Signals: Teams should note the following signals, which would be used by teams in difficulties.

MESSAGE	Lamp or Whistle
Help Wanted	6 flashes/blasts in quick succession followed by 1 minute silence
Acknowledgement	3 flashes/blasts in quick succession followed by 1 minute silence

TEXTING –When you cannot make a voice call due to low signal, you can text 07812 333812 from your mobile phone giving Grid Ref of your location and briefly your situation.

You can also REGISTER to make a 999/112 emergency text call by first texting the word ‘register’ to 999 or 112. You will then get a message back for you to agree to use the service. In an emergency you can then text Police-Mountain Rescue and give your location and why you need help.

The Masters

SATURDAY NOVEMBER 14th 2020

There will be two routes one over 25 miles and one over 35 miles. The event will be open to Explorer Scouts, members of Scout Network and adult members of the Scout Association. For more details go to:

www.mastershike.org.uk

INSPECTION TEAMS

Inspection Teams will be operating throughout the event. Their terms of reference are broadly noted as follows:

- Inspection of personal and team equipment of every participant prior to starting.
- Random spot checks of some, or all, of the personal and/or team equipment at or between checkpoints throughout the whole of the event. (Note: time taken for these checks will be credited and a team may be stopped more than once.)
- Observation of teams for any infringement of the rules, especially of “support” cars and pace- making by non-competing walkers.

Thin, lightweight outer garments will not be acceptable – a good guide is to ensure that the garment has sealed seams.

If there is any possibility of your trousers being considered to be of “thin” material, we advise you have “Long Johns” available at the kit check prior to starting the walk. We have also specified “footwear” that has been specifically designed for hiking or fell running” – we hope this will prevent competitors arriving at inspection with “trainers”.

Competitors will be aware of developments in clothing and equipment technology in recent years and the Organisers recognise the need to respond accordingly in respect of the requirements of the rules. However your safety whilst walking is still our biggest concern. The rules take account of your needs in an emergency situation on the hills, which we realise many may never have experienced. It is vital that everyone retains body heat in an emergency situation, not just the casualty.

Any infringement of the rules can lead to disqualification of the individual or the team, on the spot, at the Inspectors’ discretion. All incidents will be reported to the Organising Committee.

LEADERS’ RESPONSIBILITIES

- Leaders are reminded of the ‘InTouch’ procedure for communication to their team members – see <https://members.scouts.org.uk/FS120075> for details.
- All communications on the event must be via Central Control.
- Team Kit – we get a number of teams turning up at Inspection without the right equipment (specified in the Rules) Please make sure your teams are fully aware of the rules and equipment required and then **check** they have it!. We would hate to have to stop them walking but their safety is our main concern – the rules are there for a purpose.
- Navigation – **training in map reading and navigation skills is a must.**

COUNTRYSIDE CODE

Competitors are reminded to keep to the Countryside Code at all times.

CHAPEL SCOUT HEADQUARTERS

Parking is available in the Car Park in Thornbrook Road - just before the Scout Headquarters. Pedestrian entry to the Headquarters is through a gate at the rear of this car park.

MOBILE PHONES

Mobile phones must be fully charged and operational i.e. switched on and sufficient battery life and credit (where applicable) available. Central Control (01298 813757) should be programmed in before you start.

For the Challenge, we would strongly recommend that an emergency shelter such as a “Bothy” or similar shelter is provided for each team. It must be waterproof and designed to withstand gale force winds, large enough to accommodate all the members of the team.

PROGRAMME

- 06.30 Booking in commences for **Kinder Extreme** at Chapel Scout H.Q.
- 06.30 Kit inspection starts for the Extreme.
- 07.00 onwards Start of **Kinder Extreme** – progressively after inspection.
- 08.30 Booking in commences for **Kinder Challenge**. Please do not arrive before 8.00 so that we have chance to get the Extreme under way first.
- 08.30 Kit inspection starts for Challenge.
- 09.00 onwards Start of **Kinder Challenge** – progressively after inspection.
- 11.00 Teams begin to arrive at the Finish. Certificates will be presented as teams finish during the day – as soon as placings can be established.
- 17.00 Chapel Scout H.Q. to be vacated. (**Teams need to be back by this time at the latest**)

TRAINING FOR THE EVENT

Attention is drawn to P.O.R. Rule 9.7 - Adventurous Activities Permit Scheme, which is applicable for training walks prior to the event. (NB. The Challenge is designated Terrain Zero and the Extreme is Terrain 1) Competitors are reminded of the importance of the safety rules and their selection of equipment whilst training as well as on the event itself.

Adherence to these rules is just as important during training as on the walk itself. Remember, the weather is unpredictable in this area and less help is on hand in the event of an emergency.

OVERNIGHT ACCOMMODATION

Camping is available at Chapel Campsite, Station Road, Chapel-en-le-Frith SK23 9UE.

Tel: 07507 324063, mentioning Kinder Walk. Cost is £12 per tent (whatever size) Showers and toilets available.

LOST PROPERTY

Any item of lost property should be handed in to the Lost Property Table at Chapel Scout H.Q. After the event any queries should be addressed to the Competitors' Secretary:

Mr A M MacAlister - 5 Nottingham Road, Belper, Derbyshire DE56 1JG Tel: 01773 821986

Email: kinder@derbyshirescouts.org

SOUVENIR 'T' SHIRTS

Available for entries received and paid for **before** 21st September. A limited number will also be available for sale.

PHOTOGRAPHY

We expect all competitors to be respectful of others to receive consent from anyone before taking their photograph; however, as an organisation we cannot guarantee that anyone who should not be photographed will not be on a photograph that could be circulated on social media or Scouting publications. It is therefore the parental responsibility holder of the young person to consider this potential risk before taking part in the event.

DATA PROTECTION (GDPR)

Team information that is collected on the Entry Form is stored securely, password protected. This personal information is only used for the purposes of the event and is essential for the safety of all competitors. This information is destroyed 2 months after the event. Contact details of Leaders submitting applications are retained for promotion of this event for the subsequent year only.
